

MDUSD Sport Contributions/Fees for 2010-2011 School Year

MDUSD high school sports will continue **only** if the revenue collected from parent contributions and funds raised by high school sports teams, booster clubs and the United Mt Diablo Athletic Foundation meet or exceed the \$1.2 million of costs the MDUSD incurs for high school athletics. All sports within the MDUSD will be in serious jeopardy if families with athletes playing a sport do not pay their contributions in a timely manner.

The MDUSD Board of Education has approved the following contribution and transportation fees per sport per athlete for the 2010-2011 school year. These fees cover costs previously funded by the MDUSD, such as a set number of coaches per sport, facilities, officials, team stipends/dues, and athletic department services. Consistent with prior years, water polo, golf, lacrosse, and other partially funded sports will establish and collect their additional sport participation fees separately.

(1) Transportation fee payment due by first game.

(2) Subject to a \$600 maximum expense per family per year excluding transportation and team fees.

(3) \$225 credit towards \$600 contribution fee family maximum.

The above contributions/fees can be paid either by cash, check (payable to "CPHS") or via the College Park web store at <http://collegepark.revtrak.net/tek9.asp>. The amounts on the web store will be slightly higher to cover the finance/transaction fees. Cash or checks must be given to the school treasurer, not the coach.

Parents need to pay these sports contributions for the benefit of all College Park High School athletes.

Questions related to these issues should be directed to the athlete's coach or the College Park Athletic Director - Lance Hurtado.
